

St. Mary's Church, Banbury

Shared Prayer

Lord of life and God of our salvation, we thank you for filling us with your Spirit of life and love.

We ask your blessing on all that is good about us, and your forgiveness where we have fallen short of your will for us.

We offer you the experiences of the past and the challenges of the future.

Guide us as we seek to work together for your kingdom as the shared church of St Mary in Banbury, through Jesus Christ our Lord. Amen
